

Personal Potential Enrichment Programme Autumn Term 2

Developing your personal potential is just as important as developing your academic potential!

Enrichment clubs enable you to support and challenge your interests or experience new skills, as well as broadening your friendships! Joining a club will support you with your studies, enhance your ASPIRE skills and will create long lasting memories that will stay with you throughout your time here at Kingswinford Academy and beyond!

All of our enrichment clubs are free to attend. All you need to do is go to the venue of the club at the time it starts. Full PE kit is required to attend any PE club and you must remember to tell parents / guardians if you will be home later than normal! There are a wide range of clubs on offer and hope there's something for everyone to enjoy, but speak to Miss Abel or Mr Perry if there are any other clubs you'd like to do!
