

		W/B Monday 5th October	W/B Monday 12th October	W/B Monday 19th October	W/B Monday 26th November	half term week
Year 10 topics	Day 1	Data Collection and Sampling	Accuracy and Bounds	Constructions and Loci	Graphical Solution of Equations	Standard Form
	Day 2	Organising, Presenting and Analysing Data	Circles, Spheres and Pyramids	Geometric Proofs	Algebraic Solution of Equations	Surds
	Day 3	Primes, Factors and Multiples	Pythagoras and Trigonometry	Direct and Inverse Proportion	Fractions and Decimals	Inequalities
	Day 4	Algebraic Manipulation	Proofs and Formulae	Percentage Change	Bivariate Data	Compound units
	Day 5	Circle Theorems	Sequences	2D and 3D representations	Trigonometry	Past Paper practise
	Weekend					

Use as a catch up and recap of week
