

## Windsor Academy Trust – iPads for Learning Delivery Update

I am writing to provide a further update on iPads for Learning and the delivery of iPads for Windsor Academy Trust.

The unprecedented demand for iPads and technology has continued to cause a worldwide shortage resulting in an unavoidable delay. This ongoing shortage has meant that we are still yet to receive a confirmed delivery date for the iPads from our supplier.

We are working tirelessly with our supplier to source the iPads, and although a delivery date is not confirmed, the availability of stock can change rapidly.

We are aiming towards a provisional date of having the iPads delivered to the schools before Christmas.

We will continue to ensure further disruption is minimised, distributing the iPads to the schools as quickly as possible once we have received them.

Kind regards

Paul Ford

Yours sincerely,
