KFA/KFA - Teaching and Learning/Ipads for Learning Project

16th October 2020

Dear Parent

Last Chance to Register for an iPad

Thank you so much for your interest and engagement so far with the iPads for Learning project, we have been thrilled by the overwhelming support and now almost all of our students are signed up to the online portal so will receive their iPads after the half term.

There are, I know, some parents who still have some questions about the programme or challenges with registering on the portal and, to support you as much as we can, we have extended the registration deadline through this weekend. The portal will, then, close at **midnight on Sunday 18th October**.

How to obtain your child's iPad

A reminder that there are two main options:

- 1) School Purchase Scheme - Purchasing your child's iPad through 33 monthly payments
- 2) Upfront Purchase - Purchasing your child's iPad through one upfront payment

Both of these options include comprehensive warranty and insurance, and accessories.

For full details and to order your child's iPad, visit:

www.cpu.co.uk/cint/mobilelearning/selectSchool.asp

and enter the registration code **Kingswinford1**.

Supplying your own iPad

If, as an alternative to purchasing an iPad, you are planning to supply your child with their own iPad to use, please contact school directly before the end of Sunday to confirm this by emailing info@kingswinford.windsoracademytrust.org.uk with the subject heading 'iPad'.

The iPad you supply will need to be 32GB with WiFi that supports iOS 14. There will be a £55 configuration charge to reset and set up the management and safeguarding software on your device and you will need to purchase a Logitech crayon and we suggest a ruggedised case to use with the iPad.

Got a question?

Further information on the project and FAQs can be found at <https://www.windsoracademytrust.org.uk/ipads>. There is also a video highlighting some more of the amazing opportunities afforded by this project in the classroom [here](#).

If you have any further questions or would like to talk directly with a member of staff, please do not hesitate to contact me directly through this weekend on tmacdonald@kingswinford.windsoracademytrust.org.uk and I will do my best to support you in joining this amazing programme.

Yours faithfully

Tom Macdonald
