

# Equipment

All students will need a white cotton/fabric apron which ties at the back for Design and Technology.

Students must have the following equipment (shown below): Their planner; a small dry-wipe or whiteboard pen; A pencil case; 2 black or blue ball-point pens; 2 HB pencils; an eraser; a pencil sharpener; a compass; a protractor and a 30 cm ruler.

In addition to the basic equipment, pupils are also required to have the following equipment to assist them. Please note that this additional equipment is not optional as it will assist them in following our curriculum properly

A green biro (1) or other writing pen (not a felt-tip). Kingswinford Academy has a policy that requires students to self assess in their books using green ink. students must have a green pen in every lesson.

Literacy is a foundational feature of the curriculum and accounts for a significant number of lessons. Pupils must have an English dictionary. ('Pocket-size' versions are recommended).

Numeracy is a foundation of the curriculum and accounts for a significant number of lessons. Pupils must have a scientific calculator.
