Dear Parent

iPads for Learning Registration

I am so pleased that so many of you have already registered for an iPad on our portal. I do realise that the turnaround time for registration is quite tight, but we are keen to get starting using these wonderful devices as soon as possible. The registration portal can be accessed [here](#) using the registration code **Kingswinford1** if you have not yet registered.

To give you a little more flavour of a few of the opportunities available in the classroom to our students once our they are all connected, we have prepared a little video of our teachers explaining some of their plans for learning on iPads which you can view [here](#).

I know that some of you have not yet registered and you may have a few questions remaining about the programme. Please see our FAQs section [here](#) or get in touch (and our team will be trying to call you over the next couple of days) and let us know if you have any questions or challenges with the signup process. We are keen to support you and ensure that all year 7 students are able to access the same exceptional learning experiences. We are conscious that these are challenging times for everyone and will do all that we can to support.

Please forgive, then, our repeated communications - we are just really excited to get this incredible opportunity launched as soon as we can!

Yours faithfully

Tom Macdonald
Headteacher
