

Kingswinford Academy

A part of Windsor Academy Trust

Week beginning 6th-10th June 2022

Dear Parent/Carer

I do hope you have had a restful holiday week and have enjoyed the Jubilee celebrations through this holiday. The last (short!) half term seemed incredibly busy as we prepared our year 11s for their exams and the exam season started in earnest. We return to school tomorrow (at the usual start time for all students of 8.45am) to complete the examinations for Year 11 and conduct all of our usual summer activities for all other year groups, building up to our Active Learning week at the end of term.

Sadly, at the end of last half term, we said farewell to one of our Science teachers - a long standing member of our team - Mrs Powell. Mrs Powell has been a wonderful teacher, colleague and friend and we will dearly miss her wacky and fun approach to Science lessons as well as her incredible physics knowledge and professional expertise. She is leaving teaching and we wish her the very best in her new career and offer our grateful thanks for many years of dedicated service.

Have a great weekend!

Tom Macdonald

Headteacher

Match report - Layba Khan

On Tuesday (24th May) The U15 girls Rounders Team played against Ridgewood. They performed outstandingly and really took onboard the feedback from the match last week against Crestwood. They had really good communication and amazing sportsmanship which led them to win at an outstanding 13 to 7 rounders. Their team work once again was incredible.

Well done to the Girls.

National Cipher Challenge Awards

R Deakin

On Wednesday 27th April Year 9 student, Sam, was invited to attend the National Cipher Challenge Awards Presentation hosted at Bletchley Park.

Sam won joint first prize and was amongst winners who were in year 11 and college age students. Sam enjoyed a day of cryptography activities followed by a private tour of the centre and a demonstration of the Enigma machine. Such an incredible achievement Sam – Well done!

Young Minds

C Hall

Young Minds is a mental health charity for children, young people and their parents, making sure all young people can get the mental health support they need. Our Year 11 students are currently in the midst of their GCSE Exams. If you are a parent/carer who is worried about how your child is coping with exams, Young Minds can offer advice and information on where you can get help

Girls Football

I am the coach of a local under 14 girls football team, Kinver Colts and we are urgently in need of your support. We are looking to recruit year 8 and year 9 girls to come and play for us.

Recently the number of players we have has dramatically fallen. We now only have 10 players to start a game, meaning we cannot field a full side. This means we will be unable to finish the season and face the heart wrenching possibility of having to fold.

We are a well-established friendly side and have been running for 6 seasons. We are an inclusive side and concentrate on building skills, teamwork, and confidence. We train at Summerhill School on a Tuesday evening and play games on a Saturday morning.

Kindest regards

Simon Jelley

A recruitment poster for Kinver Colts FC. The background is dark with a soccer ball on a green field at the bottom. The text is in yellow and white. It includes the club's logo (KC Kinver Colts FC) and contact information for Simon Jelley.

**Kinver Colts urgently
require Year 8 or Year 9
girls to join a very friendly
and established football team.**

All levels and abilities welcome as we look to develop skills and all round confidence in playing.

**Please feel free to call me on 07881
853465 or drop me an email at
