

ANTI-BULLYING POLICY

Rationale

Everyone at Kingswinford Academy has the right to feel welcome, secure and happy. Only if this is the case will all members of the school community be able to maximise their potential and thrive in all aspects of their education and development. We are committed to creating a climate where bullying behaviour is not accepted by any member of our school community and is reported immediately.

Aim

We are a **TELLING** school. This means that anyone who is aware of bullying should report it immediately. We are also a **LISTENING** school and we are committed to listen to students, parents / carers and staff who report issues of bullying and to investigate their concerns most seriously. To prevent bullying we will;

- o To encourage and promote the 'telling school' ethos.
- o To model that we are also a 'listening school'.
- o To demonstrate that we take bullying very seriously and that it will not be tolerated.
- o To take measures to prevent all forms of bullying within our School.
- o To protect those who might be bullied.
- o To demonstrate that the safety and happiness of all pupils are enhanced by dealing positively with bullying incidents.
- o Preventing any repeat bullying incidents from reoccurring by working with both victims and perpetrators.

Our definition of bullying

Bullying can be defined as deliberately hurtful behaviour, repeated over a period of time, where it is difficult for those being bullied to defend themselves and where there is an imbalance of power. Anti-bullying is when everyone in the school understands that bullying is unacceptable. EVERYONE has a part to play in order to stop bullying.

- o Physical – kicking, hitting, pushing, using violence, taking and damaging belongings
- o Verbal – name calling, taunting, mocking, making nasty comments, making threats
- o Emotional – leaving people out/deliberately ignoring them, gossiping, spreading rumours, tormenting (e.g. hiding books, threatening gestures).
- o Cyber-Bullying – bullying using social media/text messages/phone calls/, picture/video clips on phones, instant messenger, email, chat rooms, websites/blogs
- o Racist – racial taunts, inappropriate jokes, graffiti and gestures.
- o Sexual – unwanted physical contact or sexually abusive comments / gender based violence / sexual harassment.
- o Homophobic/Biphobic – discriminating against someone because of their sexual orientation
- o Transphobic – founded on gender identity.
- o Child on child: verbal or physical, by person or by electronic, on-line or written
- o means and can be directed at both staff and pupils
- o This list is not exhaustive.

Raising awareness about bullying

- Bullying is “tackled” through the curriculum via PSHE led by the Form Tutor.
- It is addressed through House and Year Group assemblies.
- It is a topic discussed during our ASPIRE curriculum days during a school year.
- The school participates in Anti-Bullying Week activities and reinforces these throughout the year.

Roles and Responsibilities

Prevention is better than cure so at Kingswinford Academy we are vigilant for signs of bullying and always take reports of incidents seriously. We actively seek to be informed about bullying in order to work towards eliminating it from our school. It's ok to **TELL**.

Creating a safe environment is essential for effective learning and ensures that all students' rights to a positive experience are met. Expectations of appropriate pupil behaviour must be made explicit. This requires a '**whole**' school approach which aims to develop a shared awareness and understanding so that

a consistent approach to tackling bullying is taken. All members of the school community share the responsibility for preventing and stopping bullying.

The Headteacher will:

- o Disseminate the policy to the whole school community via a link on the school website.
- o Implement the policy effectively.
- o Train staff and raise awareness.
- o Monitor, review and evaluate the effectiveness of the policy.
- o Report to the governors on request.
- o Liaise with the Local Authority and WAT Academy Trust to ensure that best practice is shared effectively.

Governors will:

- o Support the Headteacher.
- o Help to build positive and supportive relationships with parents through mutual understanding and trust.
- o Liaise with the Local Authority to ensure that the best advice is available and that the school policy is in line with both National and Local guidelines.

Staff will:

- o Take all reports of bullying seriously and respond to each incident accordingly.
- o Inform the Head of House of any concerns/incidents regarding bullying and any actions taken.
- o Head of House will take appropriate action of any intervention/prevention strategies /programmes which involve Student Support Centre programmes to support both the victim and perpetrator.
- o Log all bullying incidents on class charts.

Students will:

- o Take responsibility for their own behaviour and actions and treat one another with mutual respect and kindness.
- o Report any incidents of bullying to their Head of House/Year / Form Tutor / Prefect /Anti-Bullying Ambassador / Parent / Carer.
- o Report any incidents that have occurred over social media sites.

Parents/carers will:

- o Inform school of concerns raised by their child.
- o Support key messages being given to their child and where appropriate attend meetings and contribute in a positive way.
- o Monitor their child's use of social media regularly if their child uses social media.
- o Expect that all reports of bullying will be dealt with, even if it is requested that the school do not do so, due to our duty of care. Every incident will be dealt with sensitively and anonymously where required.

The Anti-Bullying Ambassadors will:

- o Raise awareness of all aspects of bullying such as emotional, physical, racist, sexual, homophobic, transphobic, verbal and cyber through activities / events / media and assemblies.
- o Meet regularly to discuss bullying concerns and implement strategies on how to deal with them.
- o Act as a voice for all students.
- o Plan and deliver assemblies.
- o Review anti-bullying policies.
- o Encourage new ideas.
- o Report any incidents of bullying that they are aware of.
- o Provide support for victims and perpetrators.
- o Liaise with feeder primary schools where necessary.
- o Create surveys for students to complete to monitor all aspects of bullying.

Bullying outside of school

- o If the school becomes aware of any bullying issues outside of school, during term time or school holidays, the school will encourage students and parents to contact relevant agencies i.e. Police, Children's Services and CEOP (Child Exploitation and Online Protection).

- o School may discipline a pupil in accordance with our own Behaviour and Safeguarding Policies, if the misbehaviour poses a risk to a pupil and the reputation of the School.
- o Telephone calls from concerned members of the community are followed up. All reported incidents of bullying are investigated and taken seriously by members of staff.

How bullying is dealt with

Initially, an incident form should be completed giving as much detail as possible and the victim is advised to keep away from the bully as much as possible while the incident is investigated by an appropriate member of staff. In consultation with the Deputy Headteacher (Student Welfare), a decision regarding sanctions will be taken in line with the school's Behaviour Policy. Parents/Carers will be informed if bullying is systematic and/or causing distress to the student and are automatically advised if the incident is a Police matter.

When there is an identified issue between two students that occurs more than once or is deemed serious then a **STOP agreement** is issued, or it may be issued to prevent recurrent issues. Both the victim(s) and the perpetrator(s) sign this agreement and where necessary parents are informed. The STOP agreement helps students to understand and reinforces our zero-tolerance approach to the situation.

Sanctions may include:

- o Withdrawal from lessons.
- o Mediation between victim and perpetrator.
- o Parental Meetings.
- o Parents informed about behaviour of their child.
- o Outside agencies informed to support where appropriate.
- o Detention.
- o Refocus.
- o Fixed-term suspension or permanent suspension.
- o Report

(NB: This list is not exhaustive)

Support for the victim

- o The victim is supported by their Form Tutor, House Leader, subject teachers and other members of staff, as appropriate.
- o A Peer Mentor from the Prefect Team or one of our Anti-Bullying Ambassadors can be allocated to the victim to support them.
- o A victim can be attached to a Learning Mentor should it be appropriate.
- o The School Health Advisor can help support the victim should it be required.
- o Counselling is also sometimes advised through the What? Centre.

Support for the bully

The bully is supported by their Form Tutor and/or House Leader in line with the Behaviour for Learning Policy.

The Connexions service can sometimes support the victim following a referral from the school.

A bully can be attached to a Learning Mentor should it be appropriate and there may be a referral to a behaviour modification programme run by the SSC (Student Support Centre). The bully will be reminded of the possible consequences of bullying and sanctions for repeated incidents will be clearly explained to him/her – this is also reinforced by the STOP agreement. Persistent bullies will receive firm sanctions and may be excluded from school.

Other parental involvement

Parents/Carers are reminded regularly to inform their children that they must tell someone should they ever be bullied.

Monitoring

The policy is monitored by the Deputy Headteacher (Student Welfare) with the support of the Anti-Bullying Officer, the House Leaders, Faculty Director for PSHE and the Behaviour Management Team.

This takes place via the following:

- o Surveys for parents, students and staff
- o Tutor Groups discussions
- o School Senate Minutes
- o House Pastoral Team Meetings
- o Heads of House Meetings
- o Leadership Team Meetings
- o Line Management
- o Headteacher

Appendix 1 – STOP Agreement

STOP agreement

The Kingswinford School operates a ‘zero tolerance’ approach towards bullying. This means that, when bullying is identified, we will always take action – a significant punishment will always be issued; support will always be offered; restorative work will always take place. One of the biggest challenges facing the victims of bullying is the potential for further action in response to reporting bullying. One of the biggest challenges facing schools is that the perception of bullying varies between all individuals concerned.

The School’s definition of bullying is ‘Several Times On Purpose’ (STOP). There are occasions in which we might seek to prevent bullying taking place where we know there is a risk (either because an incident has not been ‘several times’; does not meet our definition of ‘on purpose’; or because there is not enough evidence to form justifiable response) or following identified bullying incidents. In such cases, we issue a STOP agreement and require all involved students to sign.

Appendix 1 – STOP Agreement

STOP AGREEMENT

This agreement recognises that an issue has developed between students or groups of students identified below:

--	--	--

By signing this agreement, we recognise our responsibility within the school to uphold our zero tolerance approach to bullying. In doing so we agree that:

- Any report of verbal, physical, emotional or cyber assault will be considered as a potential bullying incident
- Any such incident will be fully investigated by the schools pastoral team
- Should the team find that such an assault has occurred, this will be logged as a bullying incident and the aggressor will be sanctioned significantly no matter the scale of the incident
- Repeated incidents of bullying under this agreement will result in rapid escalation of sanction (up to and including permanent exclusion)
- All parties involved, whatever the circumstances up to this point, bear the same burden of responsibility and level of accountability: resolving potential bullying incidents is a two way process
- Malicious false reporting of incidents will also be considered as a bullying incident
- Bullying has an ongoing impact on students and as such any action taken outside of school hours and/or off the school site will have an impact during school hours and as such will be subject to the restrictions of this agreement
- Protecting those who are bullying others by lying, deliberately deceiving or deliberately withholding information from investigating staff in order to protect others is, by implication, being complicit in bullying activity by Joint Enterprise

This agreement will be in place for a period of time no shorter than 6 months and will be reviewed at that time. A copy of this agreement will be held on every student involved's file. A notification of this agreement will be passed to parents. The School expects Parents to support and uphold this agreement in effort to reduce tension and resolve the situation.

Anti-Bullying Awareness - ‘we’re better off without bullying’ -

Everyone has the right to come to school and enjoy their community whilst feeling welcome, safe, secure and happy – this means without fear or the reality of being bullied.

Bullying is ‘deliberately hurtful behaviour, repeated over a period of time’ (current school Anti-Bullying Policy)

Bullying can take a number of forms:

- o **PHYSICAL** – kicking, hitting, pushing, taking and damaging belongings etc
- o **VERBAL** – name calling, taunting, mocking, making nasty comments, making threats
- o **EMOTIONAL** – leaving people out/deliberately ignoring them (social exclusion), gossiping and spreading rumours
- o **CYBER-BULLYING** – bullying using text messages/phone calls, pictures/video clips on phones or posted online (including ‘happy slapping’), misusing instant messenger, email, chat rooms, websites/blogs and social networking sites e.g. Facebook.

No form of bullying or retaliation is acceptable at The Kingswinford School.

We will try hard to address all reports of bullying, but if it is happening to you, or you know that a friend is having problems then it is important that you say something to someone. For more information on how bullying is dealt with in school then please see the school’s Anti-Bullying Policy, a copy of which is in the ‘useful information’ section of the school’s website. We also try to provide a range of anti-bullying awareness and prevention activities over the course of the school year.

Who can you speak to about bullying?

There are a number of ways that you can seek help. You could start with a trusted friend or other responsible student; such as a Prefect or one of our trained Anti-Bullying Ambassadors, who may be able to help you or speak to a member of staff on your behalf. Your **Form Tutor** should always be your first point of contact in school, but if you do not feel comfortable in speaking to your Form Tutor, for whatever reason, then you can speak to any adult in school. They will then help you to decide the best course of action. If you confide in a parent/carer or other relative then they can contact your Form Tutor for advice.

We also have an electronic ‘bully box’ that you can email to let us know if there is a problem and no are not sure about speaking to someone directly. The address to use for this is:

□□ ebullybox@kingswinford.windsoracademytrust.org.uk

There are also some websites that you can visit for advice or information:

CHILDLINE <http://www.childline.org.uk/explore/bullying/pages/bullying.aspx>

REMEMBER: 'STOP STOP'

If you are unsure if bullying is occurring then remember the acronym 'STOP STOP' which stands for

'Several times on purpose? Start telling other people!'

In other words, if something unpleasant happens that is more than once and you feel that it is deliberate, then it may be bullying. You should speak to someone that you trust – at school or at home, who could help you.

BULLYING

- what students can do -

If you are a victim:

- **Tell someone** you trust - a problem becomes smaller if it is shared
- **Walk away** if you can. It's hard to bully someone who won't stand still
- Stay with a crowd or with your **friends** - try not to be on your own at times you don't feel safe
- Arrange to walk home with someone
- Know and avoid the danger areas
- Keep a **record** of what is happening
- Keep any **evidence** you have, for example: notes or malicious emails or texts
- **Don't respond** to the bully
- If you have had **problems online** then you could use the 'report abuse' button if one is available
- **Don't be embarrassed** to ask for help - we all need help sometimes
- Ask your parents or carers to **contact the school** to get some support
- *Remember, if you are a victim it is not your fault.*

Other important advice:

- Try to **support** other victims of bullying – comfort them and offer your help. Befriend them and encourage them to tell someone
- **Report** any bullying that you see or hear of
- **Remember** online safety advice to ensure that you stay safe in cyberspace
- **Don't** join in with a bully or encourage them in any way
- **Seek help** rather than standing up to a bully yourself
- Know the school's Anti-Bullying Policy – this explains how bullying will be dealt with.

Kingswinford Academy Student Anti-Bullying Pledge

"I recognise that bullying is not acceptable in any aspect of life. I understand that if I am being bullied that I should seek help and if I am exhibiting bullying behaviours then I could be punished for this behaviour according to school policy. As a student at The Kingswinford School I pledge to treat and speak to others with respect, politeness and kindness at all times (*Prepared for Excellence, standard 2.4*). If I witness bullying I will not be a bystander and I will seek to support the victim and report the behaviour."
